“ Cindy had a heart of gold , she was funny ,fun to be with (never a dull moment) she was a thoughtful & generous person that helped everyone if she couldn't give something you needed she helped make sure you got it . She was a loyal & dear friend . My heart is broken for her children & especially her beautiful grandbabies that she cherished & was so proud of . They truley blessed her life. I will never forget my dear friend & will always carry her memory in my heart . I pray for her family to find peace in coping with her sudden & so tragic death . FLY WITH THE ANGELS CINDY TILL WE MEET AGAIN ..
love your forever friend Lisa

“ cindy was a kind hearted woman..so soft and sincere, it was almost magical. from the day we met at the Sanchez house, I had no idea how much of long lost best friend she turned into. she was the person I could confide in no matter what..she never judged me and we bonded like no other friend ive had before. even though many people would put me down, she was the one who would lift me up. me and cindy had a lot of memories, laughs, and cries..she was one of the most caring women Ive ever met. cindy only deserved what she put in, she loved everyone she encountered.. even if that person was good or bad...she left to soon, and she should still be here right now. but I know she left behind a lot of happy memories to those she met....and she will always be remembered..love u cindy..I wish I could be hugging u in person...ill see u soon..one day when I pass as well...well meet in heaven...*hugs*
