

Claudine A. Silveira

January 24, 1926 - August 19, 2017

Claudine A. Tognazzini Silveira, was a native of San Francisco. She was born on January 24, 1926, and passed from this dimension into another on Saturday, August 19, 2017. She was 91 year, 6 months, 26 days old. A loving wife, mother, step-mother, sister, grandmother, great-grandmother and friend. May She Rest In Peace.

Although Claudine was born and raised in San Francisco, she loved the mountains. As a young girl, she spent many summers in Wawona, CA, in Yosemite National Park, and always loved the peace that filled her when there.

Her calling in life was to be a care giver. Even though she'd had no formal training, she instinctively was a loving and caring person to those who needed her. She cared deeply for those she tended to, making every effort to make sure they were comfortable.

Claudine loved all animals. Her favorite has seemed to be the Siamese cat. She had several through the years, all in their own way were very special to her. Wild animals also captured her heart; bears, buffalo, eagles, wolves...they seemed to instill a tranquility in her soul.

Claudine was preceded in death by son; Robert (Bob) Robles, husbands; Joseph Silveira and William (Bill) Robles.

She is survived by her son; Wayne Robles and wife Connie, step-son; Terry Silveira, sister; Madeline Gartin and husband Clifford, two grandchildren, sister in-law; Virginia Bachant, nephew; Wayne Gartin, loving friend; Margaret (Ana)

Drohlich and numerous other dear friends.
