

Colin Alexander Covish

January 17, 1994 - November 6, 2016

Colin was born January 17, 1994 in Clovis, CA. He passed on to his next adventure on November 6, 2016. In his 22 years on this planet, Colin lived an amazing life, and was always surrounded by people who loved him. To know Colin was to love him. Everyone was family, regardless if he had known you for years, or if you had met him earlier that day. He was the most beautiful soul I have ever met, and every single day of his life I was proud to be his mom. The greatest gift of remembrance you can pay to Colin is to talk about him, and laugh about the things he did to make you smile. BE AN ORGAN DONOR. LET YOUR LOVE LIVE ON IN SOMEONE ELSE.
