“ I remember spending time with you and the kids just being lazy at your house watching movies. You showed me how to make lots of delicious recipes... I can remember her making pico de galo and when you minced the onion the tears came pouring down and you pretended that it didnt even bother you and smiled right through wearing your sunglasses. More recently when you would surprise visit me and bring little James over to play with Phoenix. The boys got a long so well 😊 both little gamers. I will miss my cousin very much.

“ I will always remember that smile. Always joking and being funny. I will always remember you singing to different songs on your moms bday making us laugh while you strummed on the electric guitar. You left us to soon we will always cherish you Chilly Willy until we meet again. Rest in peace cousin 🐧🙏❤️
