“ My deepest condolences and prayers of grace , love, and peace to the Gomez family as you endure the loss of your loved one Ms Cynthia Gomez... May you feel the loving presence of Jesus comforting and carrying you through this unbearable moment...take this time to reflect all the precious moments you were privileged to share with Cynthia ...i was 13 yrs old when i met her and i am so grateful to have crossed her path in this lifetime.. Cynthia was genuinely a beautiful lady with a very kind and gracious heart...she would do or give you anything she could if you needed it..she had such a joyful laugh and always love to talk about life...i had the opportunity to conversate with Cynthia earlier this year and as a loving mother her concern was for her children hoping that they would be ok when her journey here on earth came to pass.....i will end this note with thanking you Cynthia for your friendship and im not saying good bye but saying see you later as i know our paths will someday cross once againLove and Miss you Cynthia..RIP...Love Always Victoria Alec❤️
