

Damian Enciso Armendariz

June 6, 1997 - May 5, 2023

Damian Enciso Armendariz was born in San Jose, CA on June 6, 1997 to Rene Enciso and Juana Armendariz. He passed away in Hanford, CA on May 5, 2023 at the age of 25. The family moved to Fresno, CA in 2001 where he was raised the majority of his life. He was the second son of 5 siblings. Damien was a very extroverted and imperative but very intelligent child, with a very high degree of maturity for his age. He hated injustice, he always stood up for a friend or someone in need, he was very kind but he also had that fire in his blood. Damian was a proud Union Ironworker local 155. He was married to Monica Enciso on November 21, 2020 and welcomed a beautiful daughter Melina Enciso on June 14, 2020 who he loved with all his heart. From a very young age he wanted to be a father and his life fulfilled that wish, he loved his family with all his heart. Damian loved spending his time with his daughter and wife traveling and making memories. They were his priority working very hard to give them the best life. He would never settle for less he would work hard to be better & have better thinking of his daughter every step of the way. He also loved spending his time on the field playing rugby. Rugby was his way of getting rid of all his stress putting his all into the games. Damian had a very beautiful outgoing soul who cared very deeply for the people he loved. He was a loving & caring husband, father, son, brother & friend. We will forever carry him in our hearts and all the beautiful memories he left us with. We love you with all our hearts.

Visitation will be at the residence over night.

“ *I was blessed to be able to see Damian and his friends grow up since preschool. The moments I was able to capture through pictures throughout their childhood lives will be cherished forever. I remember the Star Olympics at Leavenworth elementary school when they competed as a team and their ups and downs but all enjoyed with laughter. To Damians baby girl I want her to know that her daddy was incredibly loved by everyone that knew him and that as she gets older and wants to hear stories about her daddy, I along with my son and family will always be happy to share these stories with her. Our greatest condolences to all his family.*
