

Daniel Barajas Espinoza

April 14, 1965 - October 23, 2015

"Daniel was a loving father, son , brother ,uncle, cousin and friend. Family knew him as "Neno" the guy who loved to talk and get to know everyone, he considered himself a "counselor". He was born in Salinas Ca. but Spent his time between Salinas and Fresno Ca. He lived his life like no one else would and never with a dull moment.

Daniel loved to pass his time gambling or watching his favorite teams play football, baseball, and basketball. If he wasn't watching his Vikings play football he would be watching the Yankees play baseball or the Knicks in basketball. Daniel couldn't start his day without having his newspaper and a cup of coffee. If anyone knew him knows that he couldn't go a day without candy or a soda. He was always a creature of habit. Nothing was more important to him than his big family, being one of five brothers he always had something to do growing up, especially with numerous cousins, nieces and nephews and lots of aunts and uncle's. He was the most caring and giving person you could ever know he always tried to help any one in any way he could.

Daniel had a great sense of humor always making people laugh and enjoying a good time anywhere he went. He thought of himself as a "ladies man " always flirting and having a good time. He lived a great life, never a moment wasted. He leaves behind great memories that we will always cherish. Special

moments that we will always remember. Not a day will go by that he won't be missed. He leaves everyone he's ever known with great times to reminisce about, jokes to remember and his habits that we will never forget. He was not only a great father and son, he was an amazing brother, friend, cousin, uncle and nephew. Even though he has left us too soon, he will be remembered for days, weeks, months and years to come. We love you dad."

He was preceded in death by his father Efren Alvarez Espinoza.

He s survived by his mother Virginia Barajas Espinoza, his daughter Virginia Espinoza, his sons Daniel Espinoza, Joseph Espinoza and Paul Santillan; his brothers Ruben Espinoza, Joe Espinoza, Efren Espinoza and Nicolas Espinoza.

“ Daniel, You left this crazy world too soon. God only knows why. Your kids miss you so much. They are trying so hard to give you the best farewell. "Nothing but the best for their dad". Daniel Jr is being so strong. But I know his heart is broken and he misses you so much. I promise to be there for all of them. Baby Dan, Jojo, Paul Anthony and your one and only Mamas. May you rest in peace with your dad. And know that your love will live thru your kids and grandchildren to come. I will always remember just the good times we all had when we all were living at Gabilan Plaza Apt. Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. Tia Yadira and Tio Bobby

“ Your roaring laughter will never be forgotten nIno. There are few who brought such joy to the Barajas clan and one was you. I know you are missed by many. Your laughter was contagious and heard a mile away. We heard you coming. We also knew you would anxiously prepare to scare the kids by removing your leg. You are loved by many. Thank you for filling the spot of my brother.... A man of full of laughter, may you rest in peace.

“ Daniel was always full of laughs. If you were feeling down his stories would bring you right back to feeling complete. I love you Neno and I will never forget what a wonderful person you were. I am glad I was able to be part of so many memories in your life. Love you cousin.....
