“ *To my dear cousin Danny- Thank you for being kind and thoughtful whenever we talked, you were not the kind of person to outright lie nor were you one to be brutally honest to the point of hurting others. I don't know of many people that can be honest, non-judgemental, kind and even have a fundamental difference of opinion without creating an enemy, and now there is one less. thank you very much for the nunchucks, I still have them and yes i was very careful just as you made me promise! I'll miss you, and "I'll see you in another life, brother".*

*To Grandma, Uncle Mike, Nadine, Henry, and Jesse Jr. my deepest condolences for your loss, It is never easy losing loved ones especially when they are on the road to bettering themselves. Danny was a gentle soul and a pretty good cook too and he will be missed and remembered. I love you all and will see you at the services.*
