“ Daniel I am going to miss seeing you in the Blow Mold area every time I had my new hires on a tour. You were an awesome daddy and you always talked about how much your Lollipop meant to you. You are leaving so many friends with great memories. That is what will get them through this difficult time. Love you Daniel. You will be deeply missed and may you Rest in Paradise. You are now with two crazy Angels who will keep you smiling (my sister and niece). You have so many fiends and family who will watch over Lolli. You are now her Guardian Angel who keep keep watch over her. Keep smiling from Heaven above.

“ To the parents and family of Danny my heart, thoughts and prayers go out to you on the loss of your son. Prayers of healing, strength and peace that surpasses all understand be upon you all, his daughter and many many friends. There are no words of comfort but through many prayers and support the love will carry you. I first met Danny in elementary school at Winchell. I didn't see him in his later years but occasionally pictures of him through fb. I have to say from everything I've heard he turned out to be a fine man and a great father. It was an honor to have known him the years I did. Know that you will have continuous prayers over your family and his daughter. Again I'm sorry for your loss. I pray the Lord will give you strength during this time and may you find comfort in the arms of Jesus.
