

Daniel Olvera

December 17, 1955 - January 25, 2015

Daniel Olvera Sr. "Tweety and Danny Boy", has gone to heaven with the Lord. Danny, was born on December 17, 1955. He passed away on Sunday, January 25, 2015. He was a beloved son, brother, husband, father, uncle, grandfather, great-grandfather and friend to many.

Danny was a big man with a very big heart. He was loving, caring, supportive, generous, funny, and often the life of the party. He lived for his family and took every opportunity to tell them how important education was and that they must stay motivated in life. He always woke up shouting "Motivation" shortly after sunrise. He was the number one biggest fan and supporter who took pride in his children, nieces, nephews and especially his grandchildren, when it came to sports. Things will never be the same with him being gone, but one thing is for sure, his loving memories will always live on.

He leaves behind his wife, Odette Olvera; sons, Daniel Olvera Jr, Richard Olvera, Mark Anthony Olvera; one son-in-law, Memo Romero; daughters, Crystal Olvera, Mindie Olvera; one daughter-in-law, Chee Her-Olvera; 10 grandchildren; and one great-granddaughter.

Following the service a reception will be held at the West McKinley Assembly of God Church, 3014 W. McKinley Ave., at 1:00 p.m.
