“ My Tio Danny I will miss the kind tone you used when talking to me...I can still hear you saying "Hi Ne'Ne".
Such a sweet man with a heart of gold❤️...like a magnet to all the kids😊.
They loved you so much because of the genuine, kind heart you had.
My last memory of you is so pleasant...laughing & telling you all about my Sandy & boys.
I know now that needed to be the last memory I'd have of you...my heart simply would not have been able to handle seeing you any other way.
I will miss you Tio...but I know you are well now, in paradise.
RIP Tio Danny...I love you,
Ne'Ne'

“ Although you have left us my memories of you will live forever in my heart. I will never forget you Danny and how much I love you and how much you loved me. You are now in a better place with our dad and brother Joey.
A place of beauty, no pain, or suffering. My heart shattered into a million pieces as I sat there by your side when you entered The Kingdom of God and everlasting life. Until we meet again my lil brother you will remain forever in my memories & heart.
