

Danielle S. Mesta

July 11, 1988 - April 9, 2022

Our Beloved Daughter Danielle and Granddaughter Destiny went together on April 9, 2022.

Danielle S. Mesta was born July 11, 1988 to Nancy and Russell Mesta in Fresno Ca, where she was raised all her life. She was involved in many activities when she was young. She danced, cheered, ran track, crosscountry, wrestled, played softball but her passion was Soccer. Danielle enjoyed arts, coloring her hair and applying makeup. She enjoyed traveling to the mountains to camp and going to the beach. Danielle was always happy, very loving and never let anything get the best of her. You could always count on her for a listening ear and shoulder to cry on. She was a strong independent person in her lifetime. Danielle was also involved with pawsquad559 and worked as a caregiver. She had a passion for fostering and caring for not only the animals but her clients as well. Danielle became mother to Destiny in 2005. Destiny was her world. They did almost everything together. They were inseparable. They now rest peacefully together. Danielle meant the world to many and she would want us to be strong. Don't be sad, always remember me, and know I will always be smiling and looking down upon u.
