“ *It's been just a few days since Daramani has not been at school but:*

*I remember...*

*...his infectious laughter and a big smile when he was playing with bubbles*

*I remember...*

*...how he was seeking other classmates' attention and how much he enjoyed playing with friends.*

*I remember...*

*... him asking to play with little fidget toys and his favorite orange stretchy string.*

*I remember...*

*...his excitement when he knew the correct answer for the questions asked by teacher.*

*I remember...*

*...a sweet and happy boy who was full of life and a bright future.*

*Daramani's teacher*
