“ Big Dave was a part of my,life for only a short time, when we worked together at American Ave landfill, but he did make a big impression in my life, Dave reminded me alot of my own son I think that's why we got along so good, I'm proud to call David Garcia my friend,he had a way about him that just brought out the best in people, a very energetic personality, I will miss my friend very much, may he rest in peace now, and sit among the rest of my angels, my deepest condolences go out to all the familia,..... I hope to see you on the other side my young brother!
PEACE!
