“ *Angie I am truly sorry for your loss. I remember all the Christmas dinners we went to as couples when we started working together, and how funny David was at those dinners. He would always have that smile on his face when I would pick you up for dinner or a movie. Or when we would meet up at the airport when you all were coming back from a work trip. Stay strong my friend and believe it WILL GET BETTER.*

“ *Sweetheart I miss you so much. My heart is so broken without you. I miss you waiting for me when I get home from work. Our son is so lost without you and our grandkids talk about their Papa all the time. I will always love you David.*

Angie you and your family will always be in our prayers. Words cannot express the sorrow we feel. May God give you peace that passes all understanding.
