

David Owen Waters

October 4, 1966 - January 30, 2024

David Owen Waters (Dave) passed away peacefully from Parkinson's Disease on January 30th, 2024. He was 57 years old. Dave was born on October 4th, 1966 in Las Vegas, Nevada. Growing up in Fresno, CA, Dave graduated from Fresno High School in 1984, went on to serve in the United States Navy as a Dental Technician on the USS Nimitz aircraft carrier, then completed his education at Fresno State, graduating in 1994 from the Craig School of Business. In true Waters family fashion, Dave had a great sense of humor, and was incredibly personable, loved by everyone who knew him. Always ready to lend a helping hand, even in his final years with Parkinson's, Dave is well remembered at his nursing home for fixing morning coffee for little old ladies, buying snacks and sodas to cheer up other residents, even helping the laundry lady fold towels. Dave was a wealth of knowledge and loved history and football. We never could convince him to go on the gameshow, Jeopardy!, but he would have won for sure. Dave was a kind and supportive father, a good listener, never passing judgement, always just a phone call away with some practical "dad" advice. He will be missed so very much. Dave was preceded in death by his mother, Linda, his father, Jack, and his brother, James. He is survived by his stepmother, Peggy; his sister Charlene, married to Jason, and their three children; his sister in law, Vicki (widow of James) and their son Chance; his son, Craig, married to Kayla, and their four children; and his daughter, Mallorie, married to Tim, and their eight children, Aiden, Caitlin, Declan, Evelyn, Brianna, Corey, Ailish, and William. There will be no services

held at this time. In lieu of flowers, please consider making a donation to the Michael J. Fox Foundation for Parkinson's Research.
