“ *I cant believe im just hearing of Davids passing. It seems like yesterday he was at my house when he heard that i had cancer. We talked for hours. Going back to 4th grade, when we called each other "brother". We still did when we called each other, saying "hey brother whats happening". We both knew right away who was on the other end of the line. Im so sorry brother i wasnt there for you. Im crushed by this news of you passing. Condolences to all your family. I'll miss you my friend, my brother.*
