“ I'm was so sorry to hear about Frenchy. As he was my brother's best friend for years, I have literally known him my whole life. He was always smiling and he always made me laugh. My favorite memory of him was when he picked me up at the train station when I had come to Fresno. We went and had lunch in the Tower District and we just talked and laughed. I know he will be missed. My thoughts are with the family. Becky Wagner Pyle
