

Destiny Mariah Salinas

December 9, 2005 - April 9, 2022

Our Beloved Destiny passed away with her mom Danielle on April 9, 2022.

Destiny Mariah Salinas was born on December 9, 2005 to parents Henry Salinas Jr. and Danielle S. Mesta in Clovis, California. She was primarily raised in Fresno, California. In her short life, Destiny was always nice and caring and put everyone before herself. She loved to always make sure everyone was happy and having fun by being fun-loving and high-spirited. She had a love for art, animals, and sports. She always wanted to try new things and not hold back in anything she did. Destiny would be outspoken on things she believed and was passionate about. After Destiny got promoted from 6th grade at Ayer Elementary, she was one of few that was accepted into Edison Computech middle school. Destiny completed middle school and decided to stay in the home of the tigers and moved on to Edison High School. There Destiny immersed herself in her studies, participated in colorguard, and joined the badminton team. She was the world to a lot of us and if she was here, Destiny would want everyone to be strong for her and to cherish the memories of her.
