“ *I met Diane 4 years ago. She and I became friends immediately. She has been in my life everyday for years now. She was sweet and gentle but tough if she needed to. She took people for their word. She taught me lessons that I use today. We, ok, I ...called her our lil Ninja warrior. She could get things done in seconds! All of us at Senior Care Really miss her and her no-nonsense kind of way-and now we say " what-would Diane do?" She was stubborn as heck, and we loved her deeply* 🧑🏻‍🤝‍🧑🏻

“ *What a wonderful person, she was so much fun.I remember the time when we went to the State fair in Paso Robles to see Alabama. What a great time, something I will never forget. And of course riding around in her nice looking pick-up.My condolences to her family. Vanessa Perez*

“ We will always remember Diane and her beautiful smile! As a kid, I remember her cool car, truck, a crazy trip to Disneyland with her, my sister Tammy, and Susan Gragnani. As an adult, I have known her as an amazing caregiver and friend. We will miss her! Much love to the family now and in the days ahead. May God grant His peace and comfort.
