“ *Dearest Mother~*

*I miss our Dailey chats. You inspired me to be a better person . You've taught me to be humble, to forgive and have compassion for others and to have faith and believe in Jesus! Loved spending time with you . I miss praying with you, your warm hugs and teasing. You New how to make me laugh. You are the best mommy ever!!! I feel so empty and alone without you here but I know we'll be together again someday. I told you I will be ok and I'm going to try to do my best to keep moving forward and carry on your love for family and our holy family. I love you...~your daughter Anne*

“ I am very sad I wasn't able to be with my grandmother when she passed, but more importantly that she did not get to hold her 3rd great grandchild.

*I will always remember my grandmother as a sassy lady who was full of joy and laughter. I have a lifetime of memories of a wonderful woman and an amazing grandmother. She will be missed dearly.*
