“ *Don was more than just Janet's dad. He was my friend. I have known this man for nearly 40 years. There are many stories I could tell but the one I hold closest to my heart is the fact that Don was unconditional in his love and non judgemental when you screwed up. He was a grumpy old fart but he was quick with a smile and witty and quick with a come back if you said something off the cuff!*
😊 *Fly high, Dad! You will forever live in our hearts.*

“ *Don was the best grandfather myself and my brother could ask for. We learned a lot from him and will carry his qualities throughout our lives.*

“ *In 2003 I met a girl named Janet, and as we all know when couples marry we adopt each others family as our own. Together Janet and I have overcome each others losses, first my dad and then Don. Both of our fathers fought for our country, but until recently I had no idea just how decorated of a soldier Don was. Dad strived to be the best at everything he did. From raising kids that weren't from his own loins, and being the best B-51 and B-52 belly gunner our nation had during the Korean war. He had a soft spot for animals, and a dedicated love for God. Cool as James Dean, and smarter than the average Joe, I'm proud to say I was his only son in law. Missed and dearly loved, we will see you in heaven Don. Your son in Christ , D'Arcy Moren*

“ *I am so thankful for my brother Donald and his love for God. He has been such a great inspiration to me. We had spent the last seven years sharing God's word. I miss him; but, am thankful that he is no longer suffering. Loving Sister, Michal*
