“ Well my name is Lisa.Marie.Martinez....A.K.A (chilitababi@outlook.com)(wakeupfeeshy@gmail.com) an what I would first off say is that, To my dearly departed husband whom gave me 5 beautiful talented young angels, blessed (thank,you). Well I've got to say my life well majority of my life was spent with knuckles an we had up an down battles,like many do as young couples whom start dating, but u know to think back an realize about life's unexpected situations an u know I wouldn't change it, our memories our way of life,see life's about learning from are past no regrets, no negativity, just remembering how it was an choices we choose at the time an to just own up to what we established together for better or worst like in our vale's & try life's hard but a least I can say I tryd an I have no regrets, I Lisa Loved him so much come on now ,I was with him at the age of 13 years old & on an off but we made a commitment wen we got married at Cornerstone Church in Fresno California on April 25 ,1998. And that day we both knew what we signed up for & now that he's back in heaven with God our creator & maker we are like our vale's we took by oat of the holy bible till death do you part & so I say to my beloved departed husband I know are children miss you so an granddaughter,I know this hey I do to times are hard for us all ,I pray & hope none goes threw as much as we have none ,but like I said the children man their lost without you an in need of your fatherly guidance, I let them know that you hear them wen they pray, that prayer helps for reassurance but still it will never be the same with u gone ,god called you back home to soon for he came like a thief in the night an now, 😞 so if you & God see what is happening down here just please remember,their children whom are lost an full of grievances so please ask god their misunderstood about certain situations in life,if he may please ask not to be to hard on them,for they are children of god an in seek of that missing link of their fathers love, as well as their moms for me as well I have been distant, I pray all the time changed my way dramatically an still can't seem to shake off, whatever it is, an I pray an hope none would ever be in the position Im innoone would understand but I do know you an god do ,you see everything up in the heavens about an like I said I pray alot just try helping our kids knucks, please &

thanks again for a wonderful life we had together you will always be missed & truly never forgotten my love,my best friend 🙏🏻🙏🏻🙏🏻
