“ *Leon , Dylan, Adam and Nick, My thoughts and prayers are with you and your partners at this difficult time. I have loved your mother since we were kids and I feel a deep loss. I know that she loved being your mother more than anything. The more friends you brought over the better. It didn't matter how many kids you brought home I bet she made sure they ate and drank something while they were there. She is one of the best moms I have ever known. You boys were truly the joy and light in her eyes. She will be missed by many as she was loved by many.*

Carol you are in my thoughts and prayers also, you have lost so much, a sister and a best friend, a confidant, an ally and your best supporter. That is a lot to loose all at one time. Try and stay strong but if you can't accept help from your friends and Leon and the boys. Love you Carol my heart hurts for you and your loss.
