“ *Donna was a wonderful co-worker. She was so smart and would share her knowledge with you whenever asked. Always happy!! She loved her family and spoke of them often with great pride. My condolences to her family.*

“ *Thank you for for all the Sunday dinners. We had a lot of good times and a lot of laughs and lots of yummy food. I hope Sam is flying through the clouds with you and showing You where all the sweets are . Everytime I drnk a pepsi It will remind me of you. You are a beautiful Angel who is going to be missed.*
