“ *I had the pleasure of working with Doris for many years in Nutrition Services at Saint Agnes Medical Center. She was an excellent employee who worked hard to serve patients and physicians in a professional, efficient, and caring manner. There was not a position she could not work, and was always ready and willing to assist others. Doris had a quick wit and a quick smile and a huge, kind heart. She gave great hugs! I am grateful to have Doris as a friend. God bless.*
