He was preceded in death by his grandpa Ignacio Tellez.

Dustin is survived by his loving mother Elizabeth Provost; his brother Matthew Provost; his devoted companion Kristen Stone and his doggy Dally Girl; grandma Dorothy Tellez and many loving aunts, uncles, cousins and friends.

“ *Our sincerest thoughts are with Dustin's family as we reflect on memories of this fun- loving, kind teenager who grew into a thoughtful, hard working young man. He had an energetic, cheerful spirit in high school endeavors while maintaining a strong work ethic. He loved his family and friends, the rodeo, the theater, music, his guitar, and writing. Dustin has left us too soon and we will miss him very much. We will keep him in our hearts and will always wonder what might have been. May fond memories of Dustin bring peace to his family and many friends.*

Dustin and I grew up together. We weren't super close but anyone who met Dustin could call him a friend. When I had heard he passed I couldn't believe it. I know he lived life to the fullest..I remember he used to have a new cast every time we came back from summer vacation. I can still see us back in the third grade together. I remember once in summer school we had a bad teacher and you put a stink bomb in her trashcan :p happy birthday man. You still remember.

One awesome video but I don't expect anything less from you. You kept people laughing all the time you were so kind hearted , loving and caring. I remember you always helping your mama working out on the farm and how your friends would come over and sit out in the garage joking and laughing and telling stories, and even singing. You will always be in my heart and I will always love you. now I'll say something you used to say to me every time I left the house. "Rock On Aunt Donna" 🤘
