“ Eddie, I've got so many good memories from our Childhood and Teenage years growing up in Tarpey Village riding the bus and attending school! It's been too many years since seeing eachother, but after connecting with your Sisters and also your Nephew Butch thru mutual friends at my Church Ministry a couple years ago I've been looking forward to reconnecting with you! You'll always have a special place in my heart!
My most sincere, heartfelt condolences, with love and prayers for peace and comfort for the Alcantar Family! With Love in Christ! -

“ You will always be my sweet little brother. We hugged each other’s hearts as we grew up and I’m just sad that we can’t grow old together in this world. We talked about holding onto the promise of the resurrection, I’ll be seeing you and all our loved ones again. You would say I love you Sis, I would say I love you back, then you said, but I love you more! We are feeling the emptiness of your presence. Lovingly, Sister Barbara
