“ *Uncle Ed. You will be missed by so many. I will keep close to my heart the memories of me growing up and how close we were. I wish we would have remained that close as I grew up. Unfortunately, life gets in the way. I hope you're dancing in heaven with my mom and other uncles. Please shine down on those of us left here on earth. We love you.....*

“ Rest in Peace Ed. I heard recently that it means... He walks with God. I will miss your expressions of love for our grandchildren. You will not be forgotten because you shared your life with all of us. I know you will be the best guardian Angel to all of your grandchildren and your smile will help us get through our darkest days. Thank you for sharing your family with us, we have so many memories at the lake, holidays and birthday parties. Your love will live in the smiles and laughter of your grandchildren forever. Enjoy watching over them from heaven.

Until we meet again. Mattie.

“ *Uncle Ed, I wanted to be the first to say how much you will be missed. Thank you for the times you would go see mom and have your "chats" and "reminisce"... she loved that. I will forever cherish all of the memories I had of us growing up. As I got older, life happened and we weren't as close as I'd have liked. I hope you are in heaven with my mom and uncles watching over all of us. I love you... Stephe*
