

Elijah Clair Keller

March 19, 2006 - September 23, 2020

Elijah Clair Keller, age 14, entered the arms of Jesus on September 23, 2020, while at home surrounded by his mom, dad, and two sisters. Elijah was born on March 19, 2006 in Fresno, CA. From the age of five, he fought a battle against CLN2 Batten disease.

Through Elijah's life God taught us how to love and to live more fully for Jesus Christ. As a young boy Elijah was full of joy, adventure, and curiosity. He always wanted to run everywhere and see everything. During the first five years of Elijah's life he grew and acted like most his age, but God had plans for him none of us knew about. Strangely, they were greater than the ones we would have chosen. Even when he became sick and was unable to see, walk, or talk, we could always see the wonder of life in his eyes. His disease set so many limitations for him, but for the people who knew him it never limited his capacity for joy. He will always be the bravest, strongest person to us. Elijah's life was one of so much pain, but it did not define him, it did not define us either. His disease took so much from us, and from him, but through it all God has shown us the beauty of His love and grace.

Elijah is survived by his parents, Aaron and Nichole, and his sisters Elizabeth and Grace.

Due to Covid 19 please contact the family.
