

Eliza Ortiz Lopez

June 17, 1992 - January 16, 2018

Eliza Lopez—wife, mother, daughter, friend, student, and nurse—died unexpectedly on Tuesday, January 16th, 2018 in Fresno County, CA. Eliza will be tremendously missed by all of her friends and family. She was 25 years old and an RN student at Madera Community College.

Eliza was born in Madera, CA on June 17th, 1992 to Rosalia Ortiz and Vernon McCarter. Eliza married her best friend, David Lopez, on July 5th, 2008 and shortly thereafter began to pursue her nursing education tenaciously. Eliza was compassionate, caring, and incredibly sensitive towards others. She made it a priority to instill in her daughter everything she wanted to be. She was an LVN and in the process of finishing her final semester as a RN student since she was scheduled to graduate in May of 2018.

Eliza loved nothing more than spending time with her loving family, especially her daughter, McKarah. When she wasn't knee deep in a textbook you could find her working out at the gym, or hiking on a trail somewhere. Eliza loved the outdoors, fitness, good food, music and more than anything being happy, even if it was only momentarily.

She is survived by her husband of 9 years, David, her daughter, McKarah R Lopez, her mother, Rosalia Ortiz, her sister, Deissy Mendez, and her brother, Ulises Ortiz.
