“ *Grandma, there are not enough words or emotions to tell you how much I love you and miss you. I'm an incredible individual, father and husband because of your kind gestures, loving heart, emotional guidance and encouraging words. Not a day goes by where I am not thinking about you, and all of the wonderful memories we've shared. I look forward to the day I can see you again. Love, Adam, Kelly, Mason & Scarlett.*

“ Mom I miss you so much. You were taken away so soon. I was hoping we would be able to spend a little more time together. But our father in heaven thought differently. He took you to be with dad and I am very happy for you. But sad for me I love you so much and can't wait to see you and dad again some day. 😞

Grandma I miss you so much. I want more time with you and it breaks my heart that I can't be with you. I know you'll be watching over me and will be waiting for me in heaven. I'll love you always, you'll always be in my heart.

*If Tears Could Build a Stairway and memories were a lane, We would walk right up to heaven And bring you back again. No farewell words were spoken No time to say goodbye, You were gone before we knew it And only God knows why. Our Hearts still ache with sadness, and secret tears will flow. What it meant to to love you no one will ever know. 'But now you want us to mourn for you no more, To remember all the Happy times life still has in store . Since you will never be forgotten we pledge to you today. A HALLOWED PLACE WITHIN OUR HEARTS , Is where you will always stay
In Loving Memory of Mom , June 30,1934- April 23,2016
I love you Mom*
