“ *My grandma is a beautiful soul who raised me since I was 1 1/2 years old. I have so many memories with her but my favorite memories with her is when we would have family get togethers we would always dance and she was out there dancing with us it didn't matter what song she danced. I am forever grateful to her for always taking care of me growing up I will miss you so so much mom until we meet again I love you mom...*
