

Erika Leticia Luna

February 22, 1992 - May 5, 2023

Erika Leticia Luna, was born February 22 1992 in San Jose Ca. to Leticia Juarez and Alberto Luna.

She is their 4th child. She has one sister and 5 brothers. Jenny, Antonio, Jose Alberto Jr., Daniel Steven, Michael Eric, Mario Alberto, David Jonathan and Alex. She's has two beautiful children Ruby Sky and Josiah. Erika's passion was being a mother. She loves her children with all her heart. She spent a lot of time with Ruby doing Art, Slime, Reading and swimming. She spent time with Josiah just enjoying everything he does and watching him grow. Erika wanted to be nurse but having her children came first.

She loved Selena and her music.

She enjoyed her closest friend and had tons of cousins, Nieces and nephews. She was loving and caring.

Her children and her entire family loves her very much and will miss her always. The only comfort is that she had a very personal relationship with God and accepted Him as her Savior and she is right now in his loving arms.

Till we meet again. We all Love Erikita.

“ So I remember one day shopping at Costco with Erika, we had so much food in shopping cart. She was always so freaking up lifting, I recall mentioning to her how I was getting older and I didn't feel like anymore and I was not confused about my weight. She said "Claudia your beautiful" then she pulled me to the side while I was shopping and said "Look that guy over there was just checking you out"
"What? Who?" I replied "He's cute too" She said I'm crying 😭 because I spent time with her drinking Michildas, laughing. staying up late. She never once JUDGED ME. Erika, when she let herself get close to you. Was a beautiful person inside and out. She made me laugh all the time.

“ Thank you for blessing us with our first Niece and thank you for loving my brother the way you did even when times were rough. May god heal all the broken hearts especially my Rubita’s. I know you will watch over her always. And if you were reunited with my brother please give him a big hug for us. You will always be remembered fly high and rest easy Erika.

“ Erikita my baby girl

God's Garden

God looked around his garden

And found an empty place.

He then looked down upon the earth,

And saw your tired face.

He put His arms around you And lifted you to rest.

God's garden must be beautiful,

He always takes the best.

He knew that you were suffering, He knew that you were in pain.

He knew that you would never

Get well on earth again.

He saw the road was getting rough And the hills were hard to climb.

So He closed your weary eyelids And whispered "Peace be thine."

It broke our hearts to lose you

But you did not go alone...

For part of us went with you The day God called you home.
