

Ernest Paul Montoya (Dad)

April 6, 1934 - August 24, 2016

Ernest Paul Montoya, 82, of Reedley, CA passed away on the evening of August 24, 2016 at the Veterans Hospital, Fresno, California.

He began his career as long-distance truck driver in 1951.

Ernie, to most of you and “Dad” to us, loved all kinds of military history. Especially Military Aviation and flight demonstration teams including the US Navy Blue Angels, US Air Force Thunderbirds and British Royal Air Force Red Arrows.

He enjoyed his enlistment, when he served our country, in the United States Navy and we heard many humorous stories over the years of him as a young man away from home for the first time. Dad’s love of music extended to Swing Era, Country, Bluegrass, Mexican, and beyond - all of which was passed onto his daughters.

One of our favorite memories to remember is watching him dance together with our Mom, Betty. Dad was married to Betty Jo, from 1953 until her death in 1983.

He is survived by daughters; Donna Reynolds, Fresno CA and granddaughter

Jammie Reynolds, Fresno CA, Teresa Jones, Selma, CA, Darlene Montoya, Orange Cove, CA and grandson Paul Wheeler, Jodie Witherell, Oak Harbor, WA, Doreen Montoya, Oakland, CA, and Darla Montoya, Los Angeles, CA. Ernie's surviving siblings; Irene Centeno, Reedley, CA, Celia Medina, Reedley, CA, Manuel Montoya, Pico Rivera, CA, and baby brother Ray Montoya, Sacramento, CA.

The family appreciates and would like to thank those that came and sat with us at the hospital including recent dear friend, Doug Menefee, Reedley, nephew, Tom Montoya, Santa Clarita, and long-time friend and confidant, Bill Darr of Sacramento. Also those that stopped by to see Dad when he first arrived at the hospital, and those who wanted to come and be with us.

No services are scheduled at this time. There will be a Memorial for Ernie planned at another time, date to be determined. You can view and sign the guestbook for Ernie Montoya on the Chapel of the Light website. www.chapelofthelight.com

“ Thank you, Ernie, for teaching me about trucking. Rode with you many times while I was growing up, and you taught me a bunch. You trusted me to drive while you slept, and I couldn't have been more than eighteen years old. You called me "Driver," probably many others as well lol. Later driver, keep on truckin'! -Frank Phillips

Frank Phillips - February 12, 2019 at 10:24 PM

Frank, what a nice message to find that you left here for my Dad. It brought tears to my eyes thinking of this. He must have trusted you a lot to sleep while you drove. Thanks for remembering our Dad and taking the time to leave this message. - Doreen

“ Uncle Ernie....you were the first one my dad told of me to. Nobody in the family knew about me other than my brother Tom whom you endearingly referred to as "heavy". I was your "short stack". Every time we would meet up while you were passing thru on the rig you would order me pancakes. As I grew, you called me "pancake". I remember walking thru the house on beech wood admiring all your fighter plane pics and listening to your stories about serving in the Navy. I loved watching and listening to you and my dad laugh and tell old stories. To this day and forever more I will cherish being "pancake". I love you uncle. I'm so happy that Jodie and I prayed for you at the hospital. I will always hold that close to me. Say hi to my dad please. Love always, pancake...xoxo

“ Always liked your dad, even he was hard at times on us boyfriends. He was a very cool dad to have I could see how much he loved all of you very much and you were his most important thing in his life. I will never forget those times as a young person at your house with your parents. My heart is with all of you at this time. May peace be with you.

To all of my Montoya girls....it was very shocking and sad to hear about Ernie's passing. He was truly a good man and always let me know if I was spending too much time at Beechwood Circle :-). He always had such a great sense of humor. Please know you all are in our thoughts and prayers during this difficult time. Much love...Sean, Trish and Trudy

Sean Hoffman - September 02, 2016 at 10:39 AM
