“ *My Best Friend. She taught me how to be strong, loving, how to laugh and cry. How to be independent but respect others. She was a wonderful teacher and mother. I will miss her dearly but she will always be in my heart. And Yes mom I will take care of myself for at the end of every conversation we had was "You take care of yourself first. I love you mom and I know you will be watching over me.
Your loving daughter;
