“ Mom, thank you for being my best friend and showing me unconditional love no matter where I was at in life. I know some people find it natural to exploit the fact that you were absent in my childhood but we got through that the best we could and our friendship made up for every day we missed out! You were ALWAYS there for me to laugh, listen, and love on my boys!! Or as you call them "Your babies"... I always told them they were so lucky because they had pieces of you in their childhood that I've always wanted ❤️ to see your love for them was more than I could ever dream of!! You were the best grandma to them and I'm so grateful for every road trip, sleep over, dinner, and laugh attack we had together. I love you momma!! Please give my brother a charlie horse in his arm for all the times he teased me about him being your favorite. I know he's smiling ear to ear right now, bragging about how you ditched me to hang out with him for eternity...tell him i said "it's all good bubba! Enjoy it while it lasts because when I get there, I'm taking over!" Lol I LOVE and miss you both so much ❤️👍❤️👍
