“ One of my best memories of henny that is burned in my mind is him cruising around on his little specialized when he was about 4 or 5, he had natural talent right off the bat. He was a very special young man, I'm am honored an very thankful to have had the opportunity to watch him grow over the years. He was taken far to young, but his joyous memories an million dollar smile will stay alive in all of us an never be forgotten.
