“ When we were growing up Sylvia & I were playing and we would see my cousin (Felix), we called him Junior back then. He would be getting ready to go out to the night clubs he was all dressed up really nice he would comb his hair back (very slick) then run his hand thru his hair & mess it up. He looked like Elvis & was just as handsome. I reminded him of that memory when I visited him in the hospital last week. He laughed and said it was a pompadour.
