*Floyd was my favorite grandparent of all my friends. Every time I was at his house he made me feel welcomed and loved. His personality would light up a room and his love for his wife Lois lit up the world. I think a part of me thought he'd be here forever. Thank you Floyd for all the wonderful memories and for making me feel so incredibly special. As much as you will be missed, there is joy and comfort in knowing that you and Lois (a couple affectionately referred to as "Flois") are together once again. I love you. - Jen*
