“ *I love my Grandpa Candy and i will miss him so much. I'm very thankful for the impact he had on my life. He was one of those great father's you hear about to his kid's and a terrific grandfather. I thank the LORD i had a granpa like him and for all the good time's i got stored away in my mind and heart of my Grandpa,the way he made me feel his kindness, selflessness. The role model he was, I've already explained to him these things, but i want others to know what a true life real hero i felt i had and i know I'm not alone when i say that. GOD blessed us who had that man in our life and nobody in this world loved my Grandmother more than him.*
