“ *Dear Fred, I can't even find my words right now! Still in shock since Kathy called Joey and I on Sunday! I'm so blessed to have known you and called you family the past 17 years!*

I'll always remember the joy and fun you brought to our home the many Thanksgivings and Christmas Days you spent with us!

Lot's of great memories of the times Joey and I spent with you! Love remembering January 2003 when we were all in Laughlin, Nevada!

I Love you Fred, and I'm gonna miss you!
