

George Baeza

December 5, 1934 - November 14, 2022

George Baeza was born on December 5, 1934, to Encarnacion Baeza and his wife Margarita (Rita) Murrieta in Los Banos, California. George's family moved to Fresno in 1944 where he attended Columbia Elementary School as well as a local Catholic school. George married the love of his life, Rosemary, in the Spring of 1956 and they were together for 61 years before her passing. He worked for many years in Construction as a Union Laborer for Allied Paving and Gene Adams Paving before retiring at the age of 55.

George enjoyed fishing in both the local lakes and in the ocean with his sons. He also enjoyed watching boxing and old movies on TV with his family and especially liked to watch his " Raiders" play football. He was also very fond of going to Table Mountain Casino with his wife Rosemary and, after her passing, with his family. George also made it a point to feed his pigeons every day as he found it therapeutic to take care of them and watch them eat. His 4-legged companion Elvis is missing him tremendously but did go to a wonderful home.

George always helped those in need regardless of how big or small. He has at one time or another, helped each of his children with building an extra room to their homes, putting on a new roof, repairing or even building a new motor for one of the many cars that needed it. No matter who called on him for a place to stay George always had an open door, without questions or judgement. He literally has a front seat in heaven.
