“ George was a great man, it is devastating to know he has passed. I worked with George in 2019 at west park elementary. I was new and nervous and George instantly took me under his wing and became a great friend. I sadly left west park but invited him to my grandparents anniversary and he came along with his amazing wife! After that my phone broke and I lost his number unfortunately. I wish I got to spend more time with him and talk to him more. I feel like there were more laughs to be had... anyways I miss you George rest in peace brother. I hope to see you again.... where ever you are.

“ My condolences. George is my lifelong homie. We grew up in same neighborhood, had apartments together and a lot of fun and memories. I'll see you again where you are.
