“ *When we were at chela's with little Jerry, Beto was the quiet one. I've always known him as the quiet brother. Pretty much they're all kinda quiet but Beto was the quietest around me. Always nice to me.*

Time to rest in God's arms

“ *The time we spent together when he lived with my family and I were some of the best times we shared. He was funny and had a great sense of humor!!! Never a dull moment around Beto! I love you "Bet"and those memories will forever be cherished*

“ My sweet brother... I am going to miss you very much. I'll never forget the time I got my bike on my 12th birthday and you started chasing me down the street to get my bike away from me and you tickled me until you could get it away from me and sure enough just as always , you won. I'd give you my blue 10speed without a fight just to have you back . I'll miss you everyday that you're gone but I know you made it and no more sorrow or pain. You were always so handsome and everything you did was always with love. Save me a place at the Masters table right next to you. I love You!!
Brother.Forever you'll be My Twin =)

“ I remember my uncle Beto baby sitting me when I was little and me hanging onto his legs an him doing leg lifts with me hanging on lol I also remember him tickling me in my neck and making me laugh so hard I cry he was the sweetest most thoughtful man. He was loving and so caring and willing to take care of others before himself I love him so much and will miss him very very much save me a spot in the heavenly choir right next to you because I can't wait to worship God right beside you.
Love always
Your niece Christelle
