“ Our condolences to her family especially her daughter and sons who are left behind. May you find peace & comfort from friends & family during this difficult time.

I was truly saddened to hear of my aunt Gloria's passing.

My aunt was a very kind, loving & giving person always opening her home to those who needed a place to stay or a hot meal. She had some difficult times in her life, lost a son & a daughter but by God's grace she got through it...like my mom, aunt Gloria was a strong woman.

I remember the good times when aunt Gloria came to our house for a barbecue I could see the joy on her face because she was enjoying herself spending time with her sister. Those are priceless moments...

We sometimes take life & those closest to us for granted thinking they will

always be there for us but that's not how life is, tomorrow is not promised. We need to take the time humble ourselves and be there for each other, to listen, to give a hug and be more compassionate to others.

Aunt Gloria there is no more pain or suffering...I pray you were greeted by grandma, your sisters and brothers - together again.

Eternal rest grant unto Aunt Gloria and let Perpetual light shine upon her...

*You'll be forever in our hearts
and prayers ❤️*
