“ Dear Family,

I am so sorry for the loss of your precious Gloria.

I am a high school friend of Gloria's. Gloria was always such a beautiful and bright light. Sweet, kind and vivacious, we bonded taking a summer school art class in the Old Building on the old campus (near the stones.) I fashioned a sculptured bust of her in that class, and always meant to bring it to our reunions to show her--but couldn't find it.

Everyone in our Class of 1969 adored her, and took great joy in surrounding her on the dance floor at our reunions, singing "G-L-O-R-I-A, Gloria!" with the music, while she blushed. I missed doing that and seeing her at the last reunion in June.

I will look for that sculpture, and if I find it, I will send it to you, if you would like it. If so, you can email me @ informed@aol.com.

“ My husband and I played coed softball many years ago with Gloria who was always the kindest and such a great sport, along with being one of the best players on the team she always encouraged others. Although we lost touch with her, we will always remember her as the good person that she was. May she rest in peace and we send love to all her family. Frank and Dora Flores.

“ *Uncle Jesse & Jay,*

We are very sorry for your loss. We are praying that God gives you both the strength to get through this difficult time. We love you both!

We will miss Aunt Gloria very much and will cherish our memories of her, especially during gatherings when she would joke around with Uncle Jesse and would always say "Geez Jesse". She is now in heaven with my Dad, Grandma & Grandpa and all of our loved ones. You are in our thoughts & prayers.

Love,

Stella and Patricia Mange'
