

## Guadalupe Nunez Jaime

July 20, 1952 - January 30, 2019

Guadalupe Nunez Jaime of Fresno, California, was born in La Joya, Texas on July 20, 1952 to his loving parents Jose and Felipa Jaime. He went to be with the Lord on January 30, 2019.

Guadalupe spent his younger years in Texas and resided most of his life in San Jose, California where he married his former spouse, Elizabeth. He is survived by their daughters, Ruby, Christina, and Rosa, and grandchildren, Lennal, Joshua, Leanne, Laura, Sergio, Alexander, Madeline and Brandon, and his great grandchildren Maliyah, Moriah, Mia, Emilio, Joshua, Jairus, Elaia and Audrey. He is also survived by his siblings Jose, Pablo, Oralía, Juan, Eustolio, Eva, and Clemente.

He will join his parents and brother Felipe in heaven.

Lupe was very talented and blessed to be among the rare few that found an occupation that he absolutely loved – work was never work to him because he enjoyed what he did. He was a mechanic and often loved to help friends and family with their car troubles. He was the doctor of cars and was often found studying his collection of vehicle manuals late into the night. Lupe was also a wonderful singer (loved mariachi music), cook (carne asada was his specialty), and handyman (from roofing, tiling, windows, drywalls, you name it, he could do it). No job was too difficult for Lupe. Lupe also loved his family

dearly. He had a wonderful sense of humor (even at the hospital) and could always make family and friends and nurses smile and laugh. Most importantly, Lupe loved the Lord with all his heart, mind and soul. We will miss him tremendously, but know that we will one day see him in heaven. Special thanks to family and friends, Golden Living, and to Hinds Hospice for their support during this difficult time.

“ *There a few things I'd admired about Lupe, but most of all his love for Jesus, his great love for his daughters; Ruby, Christina, Rosa, and grandchildren. And, I also admired his valor and his courage of not giving up along with his daughters, my condolences to all of you. Peace be with you. Elizabeth Garza*

“ I remember Lupe (former brother-in-law) always coming over to visit my sister Elizabeth during their courtship, he was always part of the family....as far as I can remember, I was only a child then. I remember him always trying to help my dad repair his car and I remember him having good conversations with my dad (his former father-in-law). Lupe would come to the house with his guitar and sit on the door step of the house and sing and play his guitar. He sat and enjoyed meals wuth my family and always wore a smile on his face, full of life and energy! He laughed, told jokes and made people around him laugh and giggle. I remember that my mom and dad really loved him and treated him like a son. He was a happy man, he was a kind and a generous man. He loved life and life loved him. I don't remember him mad or angry at anyone but always positive and made everyone around him feel happy. He was an affectionate man.....I would catch him kissing and hugging my big sister Eli (his former wife) when they were girlfriend and boyfriend. He loved his siblings and his beautiful daughters and his career as a mechanic. I had never met a man like him, he was certainly a one of a kind and always willing to help others. He helped my mom replant the rose bushes and it was hard work but he enjoyed helping. I called Lupe "Jaime." He loved and lived and accepted Christ into his heart about two years ago and he became a born again christain and Jesus Christ became his Lord and his Savior. When Jaime breathed his last breath, he was transferred to a new residence called paradise, the place of true rest, true peace and true joy! He went to a place where there is no sickness, no pain and no death. A place where he is now waiting to meet us there.

*For God so loved the world that he gave his only begotten son, that whosoever believes in him - will not perish but have ever lasting life.  
John 3:16*

*I will always remember Jaime, the beloved father of my beloved nieces and who wore his smile as part of his attire. I am glad to say that he is my brother in Christ, may he rest in peace and until we meet again!*

*Love,  
Becky Garza (former sister-in-law).*

*Right now a memory came to mind, it was my high school graduation and we were driving to meet my parents at their house, when all of sudden the car Lupe was driving stalled on the middle of the railroad tracks, the train was coming seconds away, Lupe did not hesitate, he quickly got off the car and pushed the car with me in it, at the moment I was stunt at his valor, the train passed by within seconds.
