

Guadalupe Temores Chavez

October 25, 1962 - January 26, 2022

A caring husband, father, grandfather, and great grandfather has departed from this earth, but not from our hearts. He was born October 25, 1962 in Mexicali, Mexico to Concepcion Temores Perez and Marcelina Chavez Vasquez. He was 9 out of 10. He fought the battle of Cancer for Three years and Five months and passed at the age of 59 years old. His surviving wife Edith Carrillo de Temores lived 27 years of marriage. He was a father of six to Esmeralda, Guadalupe, Jeanette, Joanna, Aglaen, and Guadalupe Jr; a grandfather of Thomas, Gloria, Adan Jr, Marlyne, Jacob, Andrew, Rosa, Cindy, Anthony; and great grandfather of Zicayda.

At the age of 17 years old he made the decision to leave his mother's side and came to the United States. He united with a brother at Huron, California in 1981 and started working in agriculture. After working a few years in agriculture labor he then proceeded to work for Borba Farms he dedicated 30 years of his life. He did tractor work and soon later he was then promoted to a foreman. A different job opportunity was presented to him, and he would then be a part of Blair Ground Air Service where he worked 19 years of his life. He was a hard-working man. He made lots of friends while at work. Though he was a hard-working man he would enjoy cooking on the weekends for his children and grandchildren. He would enjoy eating seafood and watching his favorite soccer team play "Chivas" of Guadalajara.

He will always be remembered as a hard-working man, responsible, friendly, always with a smile even during his cancer battle he would smile, and a loving father.
