A Letter to Grandma

"Sweet lady don't you know we love you, place no one above you. You are appreciated. When I was sick as a little kid, to keep me happy there's no limit to the things you did and all my childhood memories are full of all the sweet things you did for me.

There are no words that can express how I feel and I appreciate how you raised me and all the extra love that you gave me. I wish I could take the pain away. If you can make it through the night, there's a brighter day. It's a struggle everyday just for you to hold on, there's no way I can pay pay you back, but my plan is to show you that I understand, you are appreciated" -
Love, Jay.
